

2011 Bar Library Academy Awards Competition

It was a big year for the favourites and a high scoring year from entrants. So many people selected David Fincher, The Social Network for Best Director that I was beginning to think he'd actually won the little man.

Thanks to everyone who took the time and trouble to enter, the winners this year are David Chin, 5/Wentworth and Neil Jackson, Frederick Jordan who will share the pool.

Below is the list of scores out of a possible 16.
