

**'In the Club' Networking Cocktail Event**  
**Guest Speaker: Marion Pascoe**

**6-8pm Thursday 21st February 2013**

**Union, University & Schools Club of Sydney, 25 Bent St, Sydney**

Many of Australia's oldest and finest Clubs are private gentlemen's and ladies clubs that provide social and professional support networks for their members.

The Union, University & Schools Club (the "UUSC") is the result of the merger of the Union Club and the University & Schools Club. For well over 100 years, it only admitted gentlemen as full members. Today, women constitute 19% of its membership.

**Marion Pascoe** is a barrister and a Deputy Parliamentary Counsel for NSW. She was elected as the first female President of both the University & Schools Club in 2004 and of the UUSC in 2010. She was recently elected for her third term of office as President the UUSC.

She will share with us some of her experiences as President of a predominantly male club and as a Parliamentary drafter. She will discuss some of the reasons women join private clubs, and describe some of the factors that have led to the evolution of all-male clubs into mixed gender clubs, both in Australia and overseas.
