

DNA For Legal Practitioners

Saturday 22nd February, 1st March and/or 8th March.

Do you engage DNA experts?

Do you understand DNA reports?

Do you examine or cross examine DNA experts?

Then you need to attend one or more of these sessions.

Presented by experienced Forensic DNA Scientists.

Saturday 22nd February 9.00am – 1.00pm

Session 1 DNA profiling – theory and practice

- DNA - what is it, what can it tell us, structure and function, inheritance.
- Forensic DNA typing – systems currently in use, risks and benefits, future developments

Where: The Castlereagh Boutique Hotel, 169 Castlereagh Street Sydney

Saturday 1st March 9.00am – 1.00 pm

Session 2 DNA profiling – hands on experience

- Extract DNA from your own buccal swab
- Amplify the DNA using the Polymerase Chain Reaction (PCR)
