Any proceeds from the evening will be donated to the program.

UNIFEM is the United Nations Development Fund for Women established in 1976 to provide financial and technical assistance to innovative programs and strategies that promote women's rights, political participation and economic security. UNIFEM Australia works with the IDP Peace Scholarship Trust of IDP Education to provide opportunities for young women to study at Australian Universities who have already contributed to peace and gender equality in their own country, and who have pledged to continue that commitment on their return.

**RSVP 3.00pm Wednesday, 25 June 2008**
